Sponsored by The Eva Smith Achievement Association (ESAA)

Since 1985, The Eva Smith Bursary has been providing financial support towards post-secondary education (trade school, college or university) in the various sectors of our community where it is most needed. The Bursary is awarded to African Canadian students, the justice system, single parent, who meet the criteria of financial need, educational achievement and community involvement.

During our celebratory year, we are calling on all past committee members, volunteers, awardees, community service awardees and friends of Eva Smith.

We are celebrating 25 years of supporting our young people. And we have a wonderful reason to celebrate!

Come share your experience, your success, a story, your desire to give back to your community.

As we move into the next phase of our commitment to our students, we are looking for volunteers to assist with Fundraising, Web Design, and Public Relations also on our Committee providing your expertise that we may continue to encourage and uplift our children to further their education.

This is a great opportunity for high school students to complete your volunteer hours.

Up and coming College and University students, can start planning their financial future.
